White magic

With its original features, understated colour palette and mix of global finds, this stylish, light-filled space in Antwerp makes a perfect family home

Words **EMMA LOVE** Photography **KAREL BALAS/MILK/VEGAMG**

Living area A wooden stool that the homeowner bought in Africa sits beside an armchair by interior designer Axel Vervoordt. A pair of vintage 1950s 'Diz' chairs by Brazilian designer Sergio Rodrigues (try Espasso) take centre stage in the open-plan hallway, which also leads through to the dining area. The floor cushions are from Turkey ▶
