

TOP TEN 6.9.17

## BAR CARTS

More than a functional place to park your favorite bottles, a bar cart is your opportunity to make a spirited style statement. We've edited our picks down to ten trolleys that pack a potent aesthetic punch, from the sparest of lines to dramatic pieces with high-proof power to transform a space.

# 01

### JZ BY JORGE ZALSZUPIN, 1959

JORGE ZALSZUPIN

A Brazilian Modernist classic, the 'JZ' was designed in the 1950s by Jorge Zalszupin. Its pair of slender but oversized brass wheels dramatically play off the triangle-sided bottom shelf; the tray on top is removable.
