THE HAUTE SEAT

Espasso x Motta CJ1 lounge armchair,
\$8,460 at **Espasso**, 38 N. Moore St.

Brazilian design gallery **Espasso**'s new collaboration with **Atelier Carlos Motta** brings an exclusive collection of the famed architect and designer's handcrafted pieces to Tribeca. Among the many covetable pieces, two in Peroba wood stand out: the CJ1 lounge armchair, an elegant and ergonomic seat upholstered in cotton (\$8,460) and Motta's minimal CJ1 dining table (\$14,360).
