ESPASSO's Debut in Milan // A premier design gallery in both the U.S and U.K, this is Espasso's first foray into Milan Design Week, presenting an installation to showcase its collection and paying homage to its Brazilian heritage and international flair. The 15-piece Connections collection presents both contemporary designs being developed exclusively for ESPASSO as well as iconic pieces that have helped Brazil gain repute in the Modernist pantheon. British lighting brand Tala will illuminate pieces including Carlos Motta's CJ1 dining chairs, new international releases by Fernando Mendes, Claudia Moreira Salles, and Arthur Casas, and mid-century modern work by Brazilian designers Oscar Niemeyer, Sergio Rodrigues, Ricardo Fasanello, Jorge Zalsupin, and Jose Zanine Caldas.
