Brazil's Greatest Hits

The highlights of 20th-century Brazilian design—along with some impressive examples of the country's emerging talents—are now available in a stellar collection, Espasso, the brainchild of Carlos Junqueira. Ricardo

Fasanello's 1971 Gaivota armchair, in steel, iron and leather, pictured here, is but one of the classics Junqueira has flawlessly reproduced. Espasso Inc., 34-01 38th Avenue, Long Island City, New York, 718.472.0022
