The Brazilians are coming! The Brazilians are coming! **Espasso**, Carlos Junqueira's glorious emporium of modern and contemporary Brazilian furniture, has just issued a limited edition of master furniture designer Sergio Rodrigues' seminal Aspas chair of 1962 (now redubbed Chifruda). Meanwhile, **NOHO Modern** is hosting the first major U.S. exhibition of the work of designer and artist Zanini de Zanine Caldas, a former apprentice of Rodrigues'. Together, they represent the best of Brazilian design in the 20th century, as well as the 21st. *Espasso, Pacific Design Center, 8687 Melrose Ave., Ste.
