

Petalas Side Table

by Jorge Zalszupin, 1960

Reference: #00001733

Originally designed in the 1960s the Petalas side table was inspired by the folded paper structures of origami, and originally reutilized the leftover pieces from another of Zalszupin's table • the Andorinha • for its fabrication. With elegant curved wood making up its minimal and striking form, the Petalas is a Brazilian mid-century classic reissued for the first time since its original launch.
