

Dominó Concreto Bench

by Claudia Moreira Salles, 2014

Reference: #00001866

The Dominó Concreto Bench is a reference to Mies Van der Rohe's "Barcelona Couch", where a horizontal cylinder separates the seating area. The rectangular bench surface has circular indentations which define each seating place and provide additional comfort. Suitable for both indoor and outdoor spaces.

- Base structure made of stainless steel
- Seating available in charcoal, light grey and coral concrete
- Cylinder bolster feature available in wood or concrete
- Available in 4 and 6 seats in a single row
- Made to order
