

Stella High Back Lounge Armchair

by Sergio Rodrigues, 1956

Reference: #00002065

Originally designed in 1956, the sculptural 'Stella' armchair was the first piece of upholstered furniture produced at the designer's manufacturing facility, Taba. Relaxed yet sophisticated, Rodrigues' characteristic curves are featured in the exposed wooden frame and upholstery that form wing-like arms. This variation features a high back.

- Frame available in cherry wood or imbuia
- Upholstery offered in a variety of fabrics, leather, COM/COL
- Made to order
