

Beto Lounge Armchair

by Sergio Rodrigues, 1958

Reference: #00000911

Designed in 1958, the 'Beto' armchair pays heed to the slender lines, geometry, and stainless steel materials of the 1950's. Common in many of Rodrigues' pieces, the "Beto" includes functional and beautifully shaped wooden armrests, and made part of the original interiors in the official buildings of Brazil's capital, Brasilia.
